# CLIP-ON EXTERIOR TRADE IN

R 1,500 (excl. VAT)

This option provides a "Bumper to Bumper" maintenance visit for the mobile benefits or auto body repair benefits listed below as required at time of trade in. These benefits are designed to increase the trade in value of your vehicle. This product has a 30 day waiting period before activation and only the vehicle listed on the voucher will receive these benefits. This product is only suitable for passenger vehicles, SUV's, mini busses, 4x4's, club cabs and double cabs.

## MOBILE BENEFITS

### TAR REMOVAL

Remove tar from your vehicle using specialised equipment that won't damage your vehicle's paintwork.

### STONE CHIPS

Minor stone chips, smaller than 5mm in diameter, in the clear coat & top coat that can be concealed by brush touch will be repaired. No spray painting will be done on the vehicle.

### PAINTLESS DENT REMOVAL

Remove minor dents less than 30mm in size without affecting the original finish of the vehicle. Body Metal is reformed to its original shape. Dents where paintwork is damaged, and hail damage, is not covered.

### FULL BUFF AND POLISH

A full buff and polish will be done on your vehicle.

### SCRATCHES

Minor scratches, shorter than 75mm, that can be concealed by means of brush touch will be repaired. No scuffs or series of scratches will be repaired.

### WINDSCREEN CHIPS AND CRACKS

Repair small windscreen chips, with diameter not bigger than 16mm, and cracks, where the runs are no longer than 100mm, to prevent replacement of windscreens.

### HEADLIGHT RENEWAL

Renew old, yellow, sandblasted and faded plastic headlight lenses from the outside. Cracks and severe damage will not be repaired.

## AUTO BODY REPAIR BENEFITS

### PANEL BEATING & SPRAY PAINTING

One Auto Body Repair visit to the value of R3,000 (incl. VAT) when trading in your vehicle. Scratches, dents and scuff marks not exceeding 150mm in length / diameter are considered repairable. No parts will be replaced, if a damage consists of two panels, it is not covered. Not blending will be covered.

## USING MY CLIP-ON EXTERIOR TRADE IN

1. Contact the CCV call centre on the toll free number 0800 100 228 and provide us with your voucher number. This number is required so that we can validate your voucher and log / register your application.
2. Once you have logged a call with the call centre, an SMS will be sent to your mobile phone, which will contain your application reference number with all the relevant details.
3. MMS or email photos of each of the damaged components to the contact details provided, using the application reference number as the subject. This will ensure your application can be assessed and processed efficiently.
4. Once your application has been assessed, you will be sent an SMS to notify you of whether your application was approved or declined.
5. This product entitles you to either the mobile benefits or the auto body repair benefits.

## ALL MOBILE BENEFITS

6. On approval of your application, CCV will contact you to set up an appointment for your vehicle to be repaired at the premises of your choice.

## AUTO BODY REPAIR BENEFITS

7. On approval of your application, CCV will refer you to RMI or SAMBRA approved Auto Body Repairers to obtain two quotations.
8. MMS or email the two quotations to the contact details provided. Using the application reference number as the subject. This will ensure your application can be assessed and processed efficiently.
9. Once the quotations have been processed, you will be notified accordingly.
10. On approval, CCV will arrange for repairs to commence.
